## Fibronectin Monoclonal Mouse Antibody (568)

## **Product Description**

The epitope of this antibody is located in the 8th type III repeat in the cell-binding region of fibronectin. Fibronectins are disulfide-linked, dimeric glycoproteins of ~440 kDa. They possess at least four binding sites for collagen, glycosaminoglycans, transglutaminase, and a cell surface receptor. Fibronectins are involved in cell adhesion, tissue organization, and wound healing. Fibronectins are present in basement membranes, interstitial connective tissue matrix, and blood. Cellular fibronectin is widely distributed in the stroma of many malignant tumors. This MAb is excellent for staining of formalin-fixed, paraffin-embedded tissues. Catalog number key for antibody number 0351, Anti-Fibronectin (568)

## Product attributes

Product attributes			
Antibody number	#0351		
Antibody reactivity (target)	Fibronectin		
Antibody type	Primary		
Host species	Mouse		
Clonality	Monoclonal		
Clone	568		
Isotype	IgG1, kappa		
Molecular weight	220 kDa (monomer); 440 kDa (dimer)		
Synonyms	Cold insoluble globulin (CIG); FINC; FN1; FNZ; GFND; GFND2; LETS; Migration stimulating factor (MSF); Ugl-Y3		
Human gene symbol	FN1		
Entrez gene ID	2335		
SwissProt	P02751		
Unigene	203717		
Immunogen	High molecular weight proteins secreted by cultivated human fibroblasts		
Verified antibody applications	IHC (FFPE) (verified)		
Antibody target cellular localization	Extracellular matrix		
Species reactivity	Human		
Antibody application notes	Higher concentration may be required for direct detection using primary antibody conjugates than for indirect detection with secondary antibody, Immunohistochemistry (formalin-fixed): 0.5-1 ug/ml. for 30 minutes at RT, Flow cytometry: 0.5-1 ug/mllillion cells, Immunofluorescence: 0.5-1 ug/ml., Staining of formalin-fixed tissues requires boiling tissue sections in 10 mM Tris buffer with 1 mM EDTA pH 9.0 for 10-20 minutes followed by cooling at RT for 20 minutes, Optimal dilution for a specific application should be determined by user
